

Teacher Salary Hike  
Must Be Carried Out  
as the Law Ordered

Even before World War II Arkansas was losing a considerable number of her experienced teachers to other states because of salary schedules superior to our own. The discrepancy in pay rates grew worse as inflation boomed during the postwar period — and finally the legislature did something in this year's session which was expected to help remedy matters.

The 1953 session increased the public school fund appropriations by around 2 million dollars, earmarking 90 per cent of the increase for pay hikes to teachers.

Now it develops that some misguided school boards throughout the state are taking the legislative enactment to be advisory rather than an order, and are planning to spend the extra money on hiring additional people instead of jacking up the pay of the present teachers.

This specific charge has been made by Rep. Clayton Little of Benton county, and it was aired by Governor Francis Cherry in his press conference at Little Rock Monday. The governor issued this warning:

"In good conscience they (the school directors) can't do it. There may be some specific instance where it could be justified. But this business of taking the extra money and hiring more teachers at low salaries won't work."

And the governor concluded with a grim note that if this diversion of state funds continued the reaction in the next legislature would be "tremendous."

But it seems to me we don't have to wait for the next legislature to wax angry over injustice. Arkansas teachers are supposed to have some sort of organization, and if it's any good it will step in promptly with injunctions to stop additional school directors before they have had a chance to rob the state aid fund.

Arkansas teachers have a poor reputation for standing up and fighting for their rights, whether it's a matter of equalizing local tax assessments or conserving state aid funds — but I can't believe they will be slapped down this time without a public fight. The legislature laid down this money for a specific purpose and it seems that any school director who violates his oath in the spending of it lays himself open to legal damages. I hope so.

DeAnn Youth  
to Tractor  
Contest

Johnny Burke of DeAnn will represent Hempstead county at the State 4-H Tractor Driving Contest at Fayetteville during the week of July 20.

Young Burke was selected yesterday at the county contest held at Hope Fair park. Voluntary tractor leaders Travis England, Charley Beck, and John Keck, Jr., made the selection with the assistance of James L. Gatlin, Extension Agricultural Engineer. "Butch" Beck of Shaver Springs and Thomas Burke of DeAnn gave Johnny some very close competition.

Phillip Rowe of Hope won the Junior division composed of boys 14 years of age. Phillip was awarded a 4-H T-shirt. Others other than Johnny, Butch, and Thomas placing high in the competition included Frankie Burke, Jesse M. Dukett, and Don Ray Brown.

Johnny Burke will attend State 4-H Club Camp July 20 to 24 with 12 other Hempstead county 4-H boys and girls, two voluntary leaders, and an Extension Service worker. The State Camp is limited to 1200 youth and leaders representing all counties of Arkansas.

\$8,000 Missing From  
Franklin Bank

FRANKLIN (D-Wash) — The vice president and cashier of the Bank of Franklin estimated last night that \$8,000 was missing after two bandits robbed the bank yesterday.

Late last night State Police headquarters at Little Rock said an alarm was still out for the bandits who were reported to have fled from here in an old model car. The FBI reported no new developments.

Two men, described by Wilma Foreman, assistant cashier, as being 25 and 35 years old, walked into the bank yesterday about 10 a. m., pointed a pistol at Miss Foreman and ordered her to fill up a sack with the money.

Miss Foreman said the men then forced her to enter the bank's vault and closed the door on her. D. F. Bryant, the bank official, learned the 30-year-old cashier a short while later and then sped to Melbourne, the Iard County seat where a police alarm was sent out for the bandits. This occurred about an hour after the robbery. Franklin has no telephone communications.

State Police immediately set up roadblocks north of Franklin to ward Ash Flat — the direction the bandits were believed to have taken in their escape.

Killed in Crash

Worst Disaster  
in History  
of Aviation

By The Associated Press

TOKYO (AP) — A giant C-124 Globemaster pinwheelled out of the murky sky near Tokyo today and crashed in flames carrying at least 122 and possibly 130 Americans to their deaths in history's worst air disaster.

The Air Force said 55 bodies had been identified and the death toll could be 127 or 130. The huge double-deck transport was carrying 120 to 123 army engineers and air men back to battle stations in Korea. The plane had a crew of seven.

The Globemaster crashed seconds after taking off from the U. S. air base at Tachikawa, 25 miles west of Tokyo.

An eyewitness said the giant plane "somersaulted like a bird and plummeted to the ground."

A Japanese farmer, Masayasu Kinoshita, said "The huge plane came skimming over the trees by the highway. Two of its four propellers were not turning. Then it circled and crashed and exploded."

The plane was a special flight for soldiers, not one of the regular courier runs between Japan and Korea.

The worst previous air disaster was the crash of another Globemaster near Larson Air Force Base at Moses Lake, Wash., which killed 86 last Dec. 20.

Associated Press Correspondent Stan Carter, reporting from the scene, said the plane was carrying 120 to 123 army engineers and air men back to battle stations in Korea. The plane was a special flight for soldiers, not one of the regular courier runs between Japan and Korea.

The Japanese newspaper Asahi said, "Scores of Air Force police showed out all reporters and photographers from the scene and also removed two American newsmen."

A protest was made to FEAP headquarters.

Asks President  
to Clarify  
Book Comment

By G. MILTON KELLY

WASHINGTON (AP) — Sen. Jackson (D-Wash) said today President Eisenhower "in fairness" ought to clarify his declaration that the State Department has his permission to burn books containing down-right Communist propaganda.

Eisenhower made the statement at a news conference yesterday and, when asked, declined to say whether his gibe at "book burners," in a speech at Dartmouth college Sunday, was aimed at Sen. McCarthy (R-Wis). Eisenhower's reply was that he never deals in personalities.

McCarthy, who said he was sure he was not the target of Eisenhower's remark, said after the news conference:

"I think he has given a commendable clarification of the Dartmouth speech which apparently has been misunderstood by many newsmen."

McCarthy amended the comment later to "misunderstood by many persons."

Atomic Spies Meet  
in Death Cell

By JACK WOLISTON

OSSINING, N. Y. (UP) — Atomic spies Julius and Ethel Rosenberg met for 90 minutes today in the death row of Sing Sing prison on their 14th wedding anniversary for what could be one of their last moments together before they die in the electric chair.

A wire mesh screen separated the husband and wife spy team and a prison attendant accompanied each for their visit in the women's wing of the prison's death house. Mrs. Rosenberg is the only occupant of the wing.

Prison attendants refused to disclose what was discussed during the meeting which was requested by the husband. Presumably they talked about the stay of execution granted yesterday by Associate Supreme Court Justice William O. Douglas and what action the court might take when it meets to consider Douglas' action.

Warden Wilfred H. Denno said meetings were permitted only for discussions of developments in their case.

Greeks Throw  
Back Sharp  
Attacks

By WILLIAM C. BARNARD

SEOUL (AP) — Greek troops threw back a sharp Communist attack in Central Korea today as staff officers reportedly reached agreement on details of an armistice.

In the air, U. S. Sabre pilots destroyed four MIGs and damaged four others in swirling battles that ranged to tree-top height along the Yalu River in far Northwest Korea.

The Red jab at Outpost Harry on the Central Front ended a short-lived lull across the 155-mile battle front — a lull which appeared timed to agreement at Panmunjom on a battlefield demarcation line.

The stubborn Greek defenders threw back 3,000 Chinese and North Korean Reds in an hours-long, hand-to-hand battle on Outpost Harry.

Associated Press Correspondent Milo Parnetti reported all was quiet on the East-Central Front, where 30,000 to 40,000 Reds drove two miles through Allied lines in some spots early this week in the heaviest fighting in months.

In other ground action, Allied artillery chopped up 1,500 Red reinforcements attempting to move toward Communist-held Finger Ridge Wednesday night.

By WILLIAM C. BARNARD  
SEOUL (AP) — South Korean troops, fighting viciously, lost and then won back two frontline positions on the East-Central Front today.

Four hundred Chinese pushed the ROKs off steep, high Mt. Ridge, near Christmas Hill 6 a. m. but the ROKs banged back and retook the height about noon. It has been the scene of bloody fighting the past few days.

Another 400 Chinese battled hand to hand with South Korean troops at a frontline position south of Finger Ridge. In mid morning, finally pushing the ROKs back. A few hours later the doughy South Koreans won back the position in more close-range battling.

May Lop Billion  
More Off  
Foreign Aid

By RUSSELL BRINES

WASHINGTON (AP) — The House goes to work today on a controversial \$4,998,732,500 foreign aid bill for next year, and Rep. Lawrence H. Smith (R-Wis) said cuts of another one billion dollars will be proposed.

The measure now carries 476 million dollars less than President Eisenhower urged Congress to accept as an "honest" minimum. It is \$2,602,000,000 less than recommended by former President Truman.

Voting on proposals for deeper cuts may start tomorrow. The bill is only a ceiling for the year starting July 1. Actual appropriations will come up later.

A fight is likely also on an administration - opposed amendment to withhold more than one billion dollars of military aid to Europe until an international army is approved.

Military Port in  
Alaska Levelled  
by Blast, Fire

ANCHORAGE, Alaska (AP) — Fire and explosions destroyed millions of dollars worth of military installations of supplies last night at Alaska's main military port of Whittier, 72 miles southwest of here.

The rampaging, wind-blown flames in less than four hours destroyed three new warehouses, two docks and other buildings. Reports here and at Seward but not confirmed by the military said that a quantity of ammunition blew up.

Cause of the fire was undetermined and two unofficial versions were given. One said that a forest fire in adjacent timber swept into the town. The second said a boiler in one of the warehouses blew up to set off the blast.

Three persons were reported critically injured in the boiler explosion. An Alaska Railroad yardmaster was believed to be the only other casualty, although hundreds of stevedore troops stationed there were used in fighting the fire.

Alaska Defense Command officials here said the port facilities were wiped out and no longer usable. Many millions of dollars have been spent in developing the area, which serves as a port for the entire defense command sector.

Wall Welch, of radio station KENI in Anchorage flew to Whittier and reported that smoke from the fire extended halfway to Anchorage. He said tight military security had been clamped on the port, making it virtually impossible to get a full picture of the situation.

The fire started at 5:45 p. m. and ate its way to the dock area within a few minutes. Two hours later the roof of one of the warehouses collapsed and another warehouse had been damaged.

Military officials declined to estimate the loss but admitted that it would run into the millions of dollars.

Reds Once  
Tried to Kill  
McCarthy

WASHINGTON (UP) — A former FBI undercover man testified today that a Communist leader announced last December he had been assigned the job of "liquidating" Sen. Joseph R. McCarthy.

The undercover agent, Joseph Maei, now a Pittsburgh theater owner, told McCarthy's Senate Permanent Investigating subcommittee the Red leader was Louis Bort. By "liquidate" Bort meant "to kill him," Maei said.

Bort refused to say whether the charge was true.

The charge was made at a hearing before McCarthy's permanent Senate investigating subcommittee. Acting Chairman Karl E. Mundt (R-S.D.) asked Bort after the Maei accusation:

"Were you ever assigned by any one the duty or job of killing Senator Joseph McCarthy of Wisconsin?"

"That's the same kind of question," replied Bort in a soft, cautious voice. "I have to decline to answer."

High Court in  
Special Meet in  
Rosenberg Case

WASHINGTON (AP) — The Supreme Court met at 11:12 a. m. (EST) today in an extraordinary session which will decide whether atom spies Julius and Ethel Rosenberg must go to the electric chair tonight.

By DONALD SANDERS  
WASHINGTON (AP) — The taunt drama of Julius and Ethel Rosenberg built to a climax today before the hurriedly assembled Supreme Court just 11 hours before the time fixed for the couple's execution as atom spies.

At Chief Justice Vinson's summons, the justices interrupted their summer recess to consider once again the case of the man and wife sentenced to die in Sing Sing's electric chair because, a jury found, they passed atomic secrets to Russia.

Justice Douglas, who decided yesterday that a legal point of sufficient substance to merit an indefinite stay of execution had been raised, first heard of the unusual session over a motel radio in Pennsylvania. He arranged to fly back to Washington this morning.

Assuming the weather permitted Douglas' flight from Pittsburgh, there were at least seven of the nine justices known to be in Washington or close enough to return in time for the unusual session.

Six constitutes a quorum entitled to conduct business.

Douglas' grant of a stay of execution touched off a rapid sequence of events yesterday.

The Justice Department moved for a reversal, "as expeditiously as possible," but without "unseemly haste," of what Atty. Gen. Brownell termed an "unprecedented" action by the Justice.

Vinson, within six hours after Douglas' decision was announced, called the justices back from their recess they had started Monday. He said attorneys for the government and the Rosenbergs could argue the case in open court.

argue the case in open court. The House to have Douglas impeached for "high crimes and misdemeanors" which he did not specify. His announcement that he would do so drew applause in the House.

Gravedigger Nearly  
Buries Himself

RIOFREDDO, Italy (UP) — Angelo Stannasi was working in the village cemetery here when an earth slide tumbled him into the grave he was digging.

He was buried up to his chest. His arms were pinned down and he could do nothing but shout for help.

It was three hours before some mountaineers heard him and went to investigate. They saw his head sticking out from the grave and fled in terror.

One more hour elapsed before villagers woked up enough courage to go to the cemetery and look for the "revived corpse." By that time Stannasi had fainted. The villagers, believing him dead, took him to the morgue.

Peace Endangered, Ten  
Anti-Red Prisoners Die  
in Clash With Yanks

93 Hurt, 400  
Escape; ROKs  
Release 25,000

SEOUL, Friday (AP) — Four hundred anti-Communist North Korean prisoners broke from an Allied prison camp near Inchon early today after a bloody clash with U. S. Marine guards.

The prisoners, joining 25,000 others who had broken from four camps in South Korea yesterday, stamped through barbed wire fences in a hail of bullets from the Marine, who had just been rushed up to replace South Korean guards.

Camp authorities said 10 prisoners were killed and 93 wounded in a wild clash in the dark with the combat-tested Marines and U. S. Army soldiers. One Marine guard was wounded seriously.

The camp, four miles from Seoul's port city of Inchon, had been quiet throughout the day and on until shortly before midnight.

Then the 1,400 to 1,500 prisoners in the camp made their bid for freedom in the murky darkness. First they hurled stones, then charged the barbed wire surrounding the compound.

The Marines fired rifles and pistols in a wild melee.

The wounded were taken to a hospital in Inchon harbor, at least 14 of them in serious condition.

By United Press  
The Western world waited tensely today for an indication from the Communists whether there will still be a Korean truce despite the mass release of prisoners of war in South Korea.

Joy at the prospect of an early end to the three years of fighting turned to consternation and fear that a cease-fire may have been wrecked by the action of Rhee.

United Nations and Communist offices completed their negotiations on the truce agreements during the day.

Shortly afterward the U. N. Command officially informed the Reds that 25,000 anti-Communist North Korean prisoners had been released to freedom on orders from Rhee.

The action immediately raised doubts that the machinery to carry out a truce, already breaking under Rhee's determined opposition, could operate. There was the prospect that members of the neutral commissions to supervise the armistice and prisoners unwilling to return home would refuse to serve.

President Eisenhower discussed the situation with members of the Senate Foreign Aid Appropriations subcommittee at a White House breakfast.

"We discussed the seriousness of the thing as another angle complicating the situation," a senator reported.

Another senator demanded an "immediate investigation to determine the extent of American culpability in the case of the escaped prisoners."

In Bern, Swiss Foreign Minister Max Petitpierre told parliament "this incident underlines the difficulties which the neutral commission is bound to encounter."

He said Switzerland and other members of the commissions might be forced to "reconsider" their earlier acceptance of their assignments.

Official quarters in Stockholm said Sweden's participation would hinge on eventual results and reactions from the incident.

India, key member of the prisoner repatriation commission, previously had served notice it would participate only on a guarantee from the United Nations that South Korean troops would not interfere.

Swiss May  
Pull Out of  
Truce Deal

BERNE, Switzerland (AP) — Swiss Foreign Minister Max Petitpierre said today that "new difficulties" in Korea may lead Switzerland to reconsider her willingness to serve on the projected neutral commissions to supervise a truce in the war-torn peninsula.

Petitpierre told the upper house of the Swiss Parliament the release of anti-Communist North Korean prisoners of war by South Korean officials "considerably changes the situation."

Only last week, the Swiss government reversed a previous stand and said it would serve on the Korean armistice and POW commissions regardless of whether South Korea accepted the armistice terms now being hammered out by representatives of the Communists and the U. N.

Petitpierre today said Switzerland had agreed to serve on the understanding that all war prisoners in South Korea were under complete control of the U. N. Command.

Probers May  
Force Clark  
to Testify

By WARREN ROGERS JR.  
WASHINGTON (AP) — Rep. Keating (R-N.Y.) goes before the House Judiciary Committee today for a ruling on whether congressional probes can force Supreme Court Justice Tom C. Clark to testify.

Clark yesterday turned down an invitation to appear before Keating's judiciary subcommittee. Such an appearance would involve the Supreme Court's independence, Clark said, adding that a justice must avoid "the strife of public affairs and partisan politics."

But Keating, in a statement after Clark's letter to him was made public by other sources, said he saw no question involving the prerogatives of the branches of government.

Rep. Hillings (R-Calif.) a subcommittee member, called Clark's refusal "unfortunate" and said the group will meet in closed session today to decide whether to subpoena Clark.

Hillings' comment came before Keating said he wanted it "unofficially" settled whether a committee of Congress has the right to call a judge before it. Keating added:

"The matters upon which the committee desires to interrogate Justice Clark have no relation whatever to his judicial duties."

Keating's subcommittee has been investigating the Justice Department, which Clark headed as attorney general from 1945 until he was named to the Supreme Court by former President Truman in 1949.

No Relief Soon  
for Southwest

By United Press  
Showers, fog and cloudy skies covered much of the nation today.

But in the parched Southwest, hot humid air reached from Texas to the upper Mississippi Valley as temperatures climbed toward the 100-degree mark. The Weather Bureau said no rain was in sight there.

Thunderstorms blanketed the Middle Atlantic states and around the eastern Great Lakes region while cool air from the Pacific Northwest moved into the northern plains.

A heavy fog was widespread in the Great Lakes area.

Thunderstorms covered the Southern Rockies and the New England States and the Far Northwest were cloudy and cool.

Generally fair weather prevailed elsewhere.

In North Dakota, the swollen Red River rose to 21 feet as it headed toward a predicted crest of 25 feet. No serious flooding was expected.

Russian Firing  
Squad Helps Halt  
German Rioters

BERLIN (AP) — A Russian firing squad today executed a German accused by the Soviet army command of instigating East Berlin riots.

Major General P. T. Dibrova, now ruling East Berlin under a state of siege, announced the execution.

The Soviet general described the dead man, Will Goettling, as "a resident of West Berlin, who worked on order of a foreign intelligence service, was one of the active organizers of provocations and disturbances in the Soviet sector of Berlin, and participated in the violent banditry against the organs of power and the population."

"Goettling was sentenced to death by shooting. The sentence was carried out," the grim announcement concluded.

The Russians extended martial law to areas bordering East Berlin and began a series of mass arrests in an effort to stamp out the unrest which exploded in the sector yesterday and resulted in at least 16 fatalities.

The Russian military command's announcement was distributed by the Soviet one news agency, AIN.

More than 100 Germans were reported under arrested today in East Berlin and facing Soviet courts. Flying squads of police, police and Communist party officials raided workers' homes, hunting suspects.

By TOM REEDY  
BERLIN (AP) — An uneasy quiet settled over embattled East Berlin today as the half-city nursed its wounds in the wake of anti-Communist riots that took at least 10 lives.

German truck drivers crossing the 16 miles of highway between West Germany and Berlin, relayed to West Berlin police rumors that the city was in a state of emergency. The Red police also had shot and killed 22 rioters in Magdeburg yesterday, and that similar riot-strikes against the Communist government erupted in Dresden, Chemnitz, Dessau and Brandenburg.

Apparently Russian riflemen shot down several hundred Germans, but the exact casualty toll was impossible to pin down. The German Red Cross identified 16 bodies in West Berlin hospitals as riot gunshots victims. There, also, were 110 wounded, some in serious condition.

How many lay dead or wounded in the Soviet one could not be determined.

Ten thousand Soviet armored troops encircled Berlin's Russian occupied sector, some pointing their guns westward, others directing their ominous attention toward the East Germans.

The Communists' Radio Berlin repeated over and over that the cyclonic outburst yesterday of 50,000 workers against the Red regime — put down only by Soviet intervention — was "staged" by "Western agents."

The same charge was hurled by Moscow's Communist party newspaper Pravda and Red organs elsewhere.

## Calendar

Friday, June 19  
Hope Country Club will have a family picnic Friday, June 19, at 7 o'clock. Hosts and hostesses are Mr. and Mrs. Thomas E. Hays, Mr. and Mrs. Jimmy Jones, and

Mr. and Mrs. James Tucker.

The date for the Fulton Rose Garden Club annual picnic at Cox's Court has been changed from Thursday, June 18, to Friday, June 19, at 6:45 p.m.

Monday, June 22

The Ladies Sunday School Class of the First Methodist Church will have a buffet supper at the church Monday, June 22 at 7 p.m. All active and associate members are invited.

Mrs. Remy Garland Has Bridge Party

The home of Mrs. Remy Garland in Emmet was decorated in summer flowers for the morning bridge party which she gave Tuesday, June 16, honoring the club members and guests.

High score for guests went to Mrs. Harry Hawthorne, and high score for the club went to Mrs. Scott Ross. Another prize was won by Mrs. W. M. Thompson. A summer salad plate with red dress was served to the following guests: Mrs. Odie Dehan, Gordon, Mrs. Glen Harrison and Mrs. Frank Hattom, Jr., Prescott, Mrs. Harry Hawthorne, Hope, Mrs. Harvey Nelson and Mrs. Warren Vernon, Texarkana, Mrs. W. M. Thompson and Mrs. Bob Magnus, Emmet, and to the club members.

Buffet Luncheon Given for Guests

On Thursday, June 11, Mr. and Mrs. Clarence F. Spough entertained the out-of-town guests for the Ruggles-Spough wedding with a buffet luncheon at their home at 331 Argonne Ave., N. E. Atlanta, Ga.

The Spough home was decorated with arrangements of summer flowers at vantage points. An imported outwork cloth covered the din-

ing table which was centered with an artistic arrangement of white double stock, gladioli, baby breath, roses, dahlias and plumosa fern. The buffet held the silver service with branched silver candelabra on each side.

The luncheon was served from silver trays to the 35 guests present. Those assisting in serving were Mrs. Paul McEyer, Mrs. Richard Morris, and Mrs. Emma Lee.

Blue Room Scene of Wedding Rehearsal Party

Mr. and Mrs. Clarence F. Spough entertained with a rehearsal party Thursday evening following the rehearsal for the wedding of Miss Lucille Ruggles and Robert Spough in the mirrored Blue Room and on the terrace of the Georgian Terrace Hotel. Guesting at the door were Mrs. George Rhoads and Miss Kathleen Simpson.

The room was decorated throughout with arrangements of summer flowers. The long table overlaid with a handmade lace cloth held an arrangement of pink dahlias, rosebuds, baby breath, white double stock and gladioli. Mrs. William D. Hamby and Mrs. Jim Still of Atlanta presided at the punch bowls.

Mrs. Robert McLemore of Birmingham, Ala., and Mrs. Juden Moses of Atlanta served the individual white embossed cakes from a side table also covered with a handmade lace cloth. The bride's chosen colors were carried out in the decorated mints, and cakes, and the napkins were engraved with "Lucille and Bob" in silver.

The couple chose this time to present their attendants with gifts. Seventy-five guests enjoyed the occasion.

## Coming and Going

Tommy Bundy of Benton will arrive today for a visit with Tommy Carl Jones.

Miss Lucy Carol Cornelius, daughter of Mr. and Mrs. R. E. Cornelius of Klamath, Oregon, arrived via plane Sunday to spend the summer with relatives and friends.

Mr. and Mrs. Victor R. Cass and daughters, Linda and Beverly, have returned to their home in Seattle, Wash., after a visit with Mrs. Cass' parents, Mr. and Mrs. Benton Huddleston, and family.

## Hospital Notes

Julia Chester Admitted: Mrs. Annie L. Bostick of Hope. Discharged: Mrs. Inez Rogers, Rt. 1, Hope, Mrs. Carl Brady, of Rodenaw, Gloria Rothwell, Hope.

## Escaped Prisoner Is Recaptured

WALNUT RIDGE, Ark. — Sheriff D. S. Foley said today an escaped prisoner from the county jail here was recaptured Monday night.

Foley said Fred Wilson, 40, was arrested in adjoining Craighead County while riding in a truck from a cotton field where he had been chopping cotton. Wilson offered no resistance, Foley said.

Wilson is wanted by Texas authorities on forgery and burglary charges. Extradition proceedings are under way to return Wilson to Texas.

The earliest log cabins in what is now the United States were built by Swedes.

## Thugs Again Sell Bad Meat in Illinois

SPRINGFIELD, Ill. (UP)—Illinois citizens who suffered queasy stomachs during the horsemeat scandal of 1931, learned today that gangsters were selling meat from "sick, diseased, dying or dead" livestock for human consumption. Stillman J. Stanard, state agricultural director, told the House Appropriations Committee of the illegal racket yesterday.

He was asked if it were a "syndicated gang racket" and answered "that is our belief." Capone hoodlums reportedly had a finger in the horsemeat scandal that broke in 1931 when it was learned that millions of pounds of the horsemeat had been sold as beef.

Several state food inspectors were fired for taking bribes from horsemeat slaughterhouses. Standard said he had a "confidential report" that "scavenger

## Eight Polio Cases in State Last Week

LITTLE ROCK, Ark. — The State Health Department said today that 8 cases of polio were reported in the state last week, bringing this year's total to 32. That 13 more cases are operating in Illinois. "This is a well-organized ring which is directed from Chicago." The operation has a potential of being a greater scandal than any case ever was," he added.

New Tries to  
Head Off  
Ship Tieup

NEW YORK — The CIO National Maritime Union returned to its "no contract no work" position today while federal mediators planned new attempts to head off a possible crippling tieup of about one-half the nation's merchant marine.

Joseph Curran, N.M.U. president, formally gave the ultimatum for a work stoppage early today. The wage-contract dispute affects American flag shipping on the Atlantic and Gulf Coasts.

Curran, who avoided use of the word "strike," acted when federal mediators talks broke down last night. N.M.U. telegrams to union locals and to shipping lines noted that there was no contract in effect. He said that since wages and working conditions were undetermined, he expected "positive reaction from our membership."

The old contract expired Monday night, but Curran yesterday agreed to federal mediators' requests that a "status quo" be maintained pending the outcome of the convention opened Monday.

State officers will be elected tomorrow.

Watered Down  
Control Bill Passed

WASHINGTON (UPI) — The House today passed a watered-down economic controls bill, giving the federal government authority only to establish priorities and allocate scarce materials until June 30, 1965.

The bill, a compromise between conflicting House and Senate versions, now goes back to the Senate for final action. The compromise, worked out in a conference committee, rejected a Senate plan to authorize a 90-day presidential freeze of prices, wages and rent in case of war or an emergency proclaimed by Congress.

Additionally, the bill would create a new agency to handle loans for small business. This function is now vested in the Reconstruction Finance Corp., which the administration plans to kill.

The day's negotiating sessions.

The dispute kept the superliner United States from leaving here yesterday for the Norfolk (Va.) Naval Shipyard for her first annual drydock inspection. However, there were few other tieups yesterday.

N.M.U. demands for wage increases appeared to be the main issue in the negotiations here affecting some 40,000 seamen on 750 passenger and dry cargo ships and ocean-going tankers. Working conditions also were debated.

The federal mediation sessions broke up last night with no new meetings scheduled. However, mediators said they would try to bring both sides together again today.

There was no company comment. N.M.U. pay raise demands varied between 5 and 7 per cent for the passenger and dry cargo vessels and 25 per cent for tankers.

PRESCOTT NEWS

Rev. Golden Honored

Members of the First Methodist Church honored their pastor, Rev. Warren D. Golden and his family on Sunday evening at a reception and family night party following the regular evening service. Receiving were Mrs. J. V. Mc-

Mahen, President of the WSCS, Rev. and Mrs. Golden, Rev. Jimmy Jones of Nashville, Dr. O. G. Hirst, president of the Board of Stewards, and C. C. Thomas, Supt. of the Sunday School.

Mrs. J. W. Teeter presided at the punch bowl and Mrs. O. G. Hirst served the cake from the serving table covered with a cut work cloth that held a centerpiece of pink roses in a crystal bowl. The pink of the flowers was repeated in the burning tapers flanking the arrangement.

Music was provided by Miss Margaret Hunter Scott who sang a solo and was accompanied by Miss Simone Golden at the piano. Miss Dolores Escarra accompanied by Miss Julia Smith sang a solo. Miss Virginia Ann Wynn sang and played. A duet by Rev. Golden and Joe T. Smith was also enjoyed. Group singing was led by Mr. Smith.

Cantley Reunion Held

A reunion of the Cantley family was held on Sunday at the home of Mrs. Electa Cantley Wells honoring her father, Mr. J. D. Cantley.

Air Conditioning on wheels\* comes of age!

Now you can have a car that's as comfortable on hot days as your air-conditioned home, office or favorite theater. Now you can ride in draft-free coolness at the temperature level you choose—even when the outside reading is 110° and more. Now you can take a full complement of passengers through the thick of traffic on a sweltering day—and each one of you will keep looking and feeling fresh as a daisy at dewtime.

Air intakes on each side of car introduce outside air into system.

You do this with the compact Buick AIRCONDITIONER—the completely practical unit available at extra cost in 1953 SUPER and ROADMASTER Sedan and Riviera models.

But note this: what Buick put into its AIRCONDITIONER goes beyond the usual. For the advanced design of this Buick unit provides dual roof ducts that distribute up to 300 cubic feet of cooled, freshened, filtered, air per minute to all parts of the car interior evenly and constantly—without icy blasts and drafts on your neck, shoulders, legs,

What's more, these exclusive roof ducts have individually controlled air directors above the side windows. So each window-seat passenger can guide a gentle breeze of conditioned air exactly where he wants it.

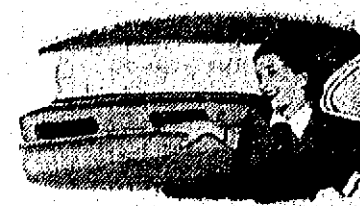

Of course, the Buick AIRCONDITIONER is automatic.

You switch it on; choose the temperature setting you want—and that level of coolness is maintained constantly. It thoroughly conditions the air around you—automatically. It carries off heat, stale air, tobacco smoke—automatically. It continuously introduces outside air into the system—automatically.

It's fast-acting, too. Even after an hour or more locked up under summer's hottest

Grilles in Buick's exclusive dual roof ducts insure draft-free distribution of conditioned air—and also provide individual control of air direction as desired.

Rear air grille on package shelf help maintain continuous circulation of conditioned, pollen-free air.

sun, the car interior can be brought to a delightfully cool comfort in a matter of minutes.

And it's really compact. The cooling unit itself fits neatly on a narrow shelf in the big trunk compartment—leaves plenty of room for luggage and the like.

Why not drop in on us and try a demonstration?

You'll find that the Buick AIRCONDITIONER with its exclusive dual roof ducts is the ultimate comfort in hot-weather driving.

\*Buick Airconditioner available in 1953 Roadmaster and Super Wildcat and Sedan models at extra cost.

### Food Fadists Are Rapped at Meet

HOPE SPRINGS, Ark. — The vice president of the Mellers National Foundation said here yesterday that "food fadists" and "nutritional quacks" are undermining the faith of American people in the food they buy.

Herman Klein of Chicago told

some 200 delegates to the Food and Drug Officials of the United States convention here that the "fadists" and "quacks" have convinced many Americans that they are suffering from malnutrition and innumerable diseases as a result of their diets.

Steen said that because of the "fadists," the food industry has been forced to launch a campaign to educate the American people on

### Grenade Blamed for Two Deaths

FT. SMITH, Ark. — A hand grenade that exploded during throwing practice at Camp Chaffee yesterday took the lives of two soldiers and injured a third.

This dead were Pvt. Jimmie J. Rainey, 20, of Carl Junction, Mo., and Pfc. Melvin M. Sarracino, 21, of Grants, N. M. The injured soldier is Pvt. Vernon D. Rohr, 20, of Baine, Kas.

The public information officer at the basic training camp here, Capt. John J. Mason, said Rainey and Sarracino, an instructor were in a hand-throwing practice when the grenade exploded. He said it was not known what caused the grenade to blow up.

Mason said Rohr, whose condition was given as "good" at the post hospital, received injuries to his left arm from flying fragments. He said Rohr was in another article 15 feet away.

### Fulbright, Wife Bound for England

WASHINGTON, Ark. — Sen. and Mrs. J. W. Fulbright are to board the ship Britannia today en route to England and Oxford University where the senator will receive an honorary Doctor of Civil Laws degree.

Fulbright said he hopes to tour Europe if a crash of senatorial duties does not force him to return at once.

Fulbright will receive the degree July 1 from Oxford, which he attended as a Rhodes Scholar.

Ancient cities made extensive use of pipelines for water.

The facts of nutrition. The today convention of food and drug officials from 41 states, the District of Columbia and two territories ends Friday.

### Happy Is The Day When Backache Goes Away . . . .

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up at night or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 60 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 million of kidney tubes and filters flush out waste. Get Doan's Pills today!
